BIOGRAPHY

Vienna-based DJ datjay has been behind the decks for almost 10 years, bringing his sound to clubs, events and festivals across Austria.

Blending RnB Music, Edits, Miami bass, House Music, Afrobeats and Brazilian Funk, he moves between sounds, flips the vibe and keeps things unpredictable – always chasing that perfect mix of energy, groove and unexpected selections.

From west to east, datjay has been making his mark on the Austrian scene. Alongside his current residency at **Sechser Club Vienna**, he runs his own Vienna-based collective, **YOU+ME**, regularly hosting events and bringing people together through music.
